

## **Conflict of Interest**

- I. The State agency will terminate a vendor agreement if the State Agency determines that a conflict of interest exists between the vendor and the WIC Program, at either the State or Local level. The State agency must ensure that no conflict of interest exists, as defined by applicable State laws, regulations, and policies, between the State agency and any vendor or home food delivery contractor under its jurisdiction. (7 CFR 246.12(t))
