ANNEXATION AGREEMENT
(Searle Annexation #3)

This Agreement, made and entered into this 24 day of June, 2021, by and between The City of American Fork, Utah, a Utah Municipal Corporation (hereafter referred to as "City") and LKS AG Inc., (hereafter referred to as "Applicants"), is based on the following:

RECITALS

WHEREAS, Applicants are the owners of parcels of privately-owned real property constituting the entirety of the Searle Annexation #3, which annexation is located within the unincorporated territory of Utah County and contiguous to the corporate boundary of the City. A "Request to Initiate Annexation " (Attachment 1), together with a plat (Attachment 2) prepared by the Applicants showing the real property proposed for annexation (hereafter referred to as "Annexation Area");

WHEREAS, the Annexation Area constitutes a portion of an existing island, as defined by Utah State law;

WHEREAS, in accordance with the provisions of UCA 10-2-418, the American Fork City Council has heretofore adopted on March 23, 2021. Resolution No. 2021-03-11R indicating its intent to annex the entire Annexation Area. Further, notice of hearing regarding the proposed annexation has been published and the public hearing thereon held.

WHEREAS, the City Council has determined that annexation of the Annexation Area is in the best interest of the City and has indicated an intent to: (1) enact an ordinance of annexation relating thereto, subject to the prior execution of this Agreement, and (2) authorize the recording of the annexation plat at the office of the Utah County Recorder, subject to the terms and conditions of this Agreement.

TERMS AND CONDITIONS

NOW THEREFORE, based on the above recitals and in consideration of the annexation of the Annexation Area to the City, the parties covenant and agree as follows:

SECTION 1 - Applicability of Agreement: The real property to which the terms of this Agreement apply shall be the parcels of private property within the Annexation Area, identified on Attachment 2. Attachment 2 is hereby made part of this Agreement.

SECTION 2 - Annexation a benefit to Applicants: Applicants and City acknowledge that the City is not required to approve the annexation and that the terms and conditions of

annexation, as set forth herein, are reasonable and entered into freely and voluntarily. Further, Applicants hereby acknowledge and agree that the benefit received from annexation of the property is equal to or greater than the requirements and conditions of annexation as set forth in this Agreement and the conditions of the development as set forth under the terms of the City's Development Code and Impact Fee Ordinance and does not constitute a taking as defined pursuant to the terms of UCA 10-9a-103(6), 1953, as amended.

SECTION 3 - Authority of Applicants: Applicants hereby affirm that they are the current owners of the majority of the total private land area within the Annexation Area and have complete authority to enter into this Agreement and bind the property hereto.

SECTION 4 - Compatibility with Land Use Plan and Initial Zone Classification: The Land Use Element of the General Plan shows the Annexation Area classified as Low Density Residential. Therefore, the zone classifications attached to the parcel shall be R1-9,000, and PF (Public Facilities). A portion of the property lies within the Mitchell Hollow area and is to be placed in the PF (Public Facilities) zone for development of a trail corridor. Pursuant to Section 17.4.605 of the Development Code, that portion of the parcels within the Hollow area, is situated in a TDR-S (Transfer of Development Rights Sending) sub-zone. The number of development rights applicable to this TDR-S sub-zone is uncertain but is to be determined at the time of initial request for development, based at the rate of three dwelling units per acre. Applicants agree to convey title to the Hollow area at the time of annexation to the City for stated trail and open space purposes. A map illustrating the zone classification has been prepared by the City and is made part of this agreement (Attachment 3).

SECTION 5 - Right-of-way to be Conveyed: The Bike and Pedestrian Master Plan identifies placement of a trail corridor along the Mitchell Hollow through the Annexation Area. As a condition of annexation, Applicants hereby agree to convey to the City any property necessary for the Mitchell Hollow Trail corridor and connection in the location shown on the plat with a ten foot-wide connection from the southernmost point of the trail to the neighborhood street in the future development, prepared by the Applicant. (Attachments 4 and 4(a)). Applicants shall have no obligation to construct any trail improvements until the time of mass grading for the site. At that time, applicant shall provide rough grading for the future trail in a manner that will provide a congruent landscape between the trail and the rear lots of the proposed development at no cost to the city. If this cannot be accomplished with the dedicated land, additional dedication may be required at not cost to the City.

SECTION 6 - Conveyance of Water Right: American Fork City Code 17.1.400, Conveyance of Water, requires conveyance of water shares/rights at the time of annexation unless the City determines that there is good and sufficient reason to delay the time of the conveyance. City and Applicants acknowledge and agree that the parties are unable to determine the quantity of shares/rights required for the Annexation Area at the present time and therefore, the City authorizes a delay in the time of conveyance of water shares/rights until the time of development.

A Water Delay Agreement is hereby entered into by the parties and is incorporated into this Agreement as Attachment 5.

SECTION 7 - Open Ditches to be Piped: Applicants acknowledge that it is their burden in full to pipe any and all gravity irrigation conveyances (ditches), to the standards of the City and to the standards of the applicable irrigation company or private ditch easement holders as part of any forthcoming development project.

SECTION 8 - Property Taxes and Rollback Taxes to be Paid on any Right-of-Way and/or Open Space Dedicated to City: Applicants agree to pay any outstanding property taxes on the Annexation Area including any and all rollback taxes if the subject area is classified as "Greenbelt" with the Utah County Tax Assessor, for any areas identified as right-of-way or open space to be dedicated to City. Proof of payment of these taxes shall be required prior to recording of this Agreement.

SECTION 9 - Impact Fees: No impact fees are required to be paid at this time as a condition of annexation. However, nothing in this Agreement constitutes a waiver of any obligation that Applicants or any successor may have for the payment of impact fees required as a condition of development of the Annexation Area or any portion thereof. Applicants acknowledge that no development approval or building permit shall be issued until all applicable fees required by City ordinance have been paid at the amount then in effect.

SECTION 10 - Default: In the event either party seeks to enforce the terms hereof in a lawsuit or other proceeding, the prevailing party shall be entitled to an award of the costs incurred, including reasonable attorney fees.

SECTION 11 - Notice: Any notice to be given hereunder shall be given by certified mail, return receipt requested, addressed as follows:

- a. If to the City, to the City of American Fork, 51 East Main Street, American Fork Utah, 84003
- b. If to Applicants, to Graig Searle, 324 West 1360 North American Fork Utah, 84003.

SECTION 12 - Entire Agreement: This Agreement constitutes the entire agreement between the parties and may be changed only in writing signed by all parties.

SECTION 13 - Severability: The provisions of this Agreement shall be deemed to be severable, and if any provision of this Agreement is determined to be invalid or unenforceable by any court of competent jurisdiction, such invalidity or unenforceability shall not affect or limit the validity or enforceability of the remaining provisions hereof.

SECTION 14 - Binding Effect: This Agreement shall inure to the benefit of, and be binding upon, the parties hereto and their respective heirs, representatives, officers, agents, employees, members, successors and assigns.

IN WITNESS WHEREOF, the parties have signed this agreement on the date first mentioned above.

WATER DELAY AGREEMENT FOR ANNEXATION

This Water Delay Agreement for Annexation ("**Agreement**") is entered into as of the 21 day of June, 2021 ("**Effective Date**"), by and between LKS AG INC. ("**Owner**"), and AMERICAN FORK CITY, a municipal corporation and political subdivision of the State of Utah ("**City**").

RECITALS

WHEREAS Owner is the owner of Parcel Nos. on Exhibit A ("**Property**"), which are located outside of the City's current municipal boundaries; and

WHEREAS Owner has filed with the City a request to have the Property annexed into the City ("**Annexation Request**"); and

WHEREAS Section 17.1.400(C) of the City Code requires the conveyance of title to water rights concurrently with final action by the City Council on an annexation, except under pursuant to certain findings, terms, and conditions; and

WHEREAS City and Owner desire to enter into this Agreement as part of the findings, terms, and conditions required under Section 17.1.400(C) of the City Code.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual covenants hereafter set forth, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Owner and City, incorporating the recitals set forth above, agree as follows:

AGREEMENT

1. Determination of City Council. The City Council, with the recommendation of the City Planning Commission, has determined that there is good and sufficient reason to delay the time of conveyance of water rights and/or water shares beyond the time of the City Council's final action on the Annexation Request. This determination was made in the City Council meeting held on _____, 20___. The basis and reasoning for the City Council's determination are included within the recording, minutes, and other documentation from said City Council meeting.

2. Water Rights/Shares. The specific water rights and/or water shares that may be conveyed to the City, and that pursuant to the terms and conditions of this Agreement are hereby committed to the City, which commitment is irrevocable by Owner and may be released by the City only as provided in this Agreement ("**Committed Water**"), are identified in Exhibit A of this Agreement.

3. Conveyance of Committed Water. Prior to the City's approval of any development on the Property that will require the delivery of water, the City will determine the amount of water rights/shares required for dedication and conveyance to the City in order to meet the water requirements of the development. Owner will convey clear title to the required amount of the Committed Water to the City. If the amount of water necessary for the development is less than the

total amount of the Committed Water, the City will release the commitment (provided in paragraph 2 above) as to the unnecessary portion of the Committed Water. If the amount of water necessary for the development is more than the total amount of the Committed Water, Owner shall convey additional acceptable water rights/shares to the City to meet the dedication requirements. If the Committed Water consists of any water rights, the conveyance shall be by Warranty Deed and an accompanying Water Rights Deed Addendum. If the Committed Water consists of any water shares, the conveyance shall be by assignment, endorsement, and delivery of the appropriate share certificates. Owner acknowledges that under the Article XI, Section 6 of the Utah Constitution, City is prohibited from returning to Owner any portion of the Committed Water once it has been conveyed to the City.

4. Change Application. If any of the Committed Water consists of water rights, an express prerequisite for conveyance shall be the filing and approval of an Application for Permanent Change of Water (“**Change Application**”) with the Utah Division of Water Rights (“**Division**”) to convert the water rights to municipal use to be diverted from the City’s wells. Prior to the filing of the Change Application, the water rights shall be reviewed by the City’s water attorneys to ensure that the water rights are suitable for dedication. The City’s water attorneys shall also prepare and prosecute the Change Application, with the full assistance and support of Owner. The water rights will be deemed acceptable for conveyance to the City under this paragraph upon the issuance of an Order approving the Change Application that is acceptable to the City and upon expiration of all applicable deadlines for requests for reconsideration and/or appeal of the Order. Owner shall be responsible for all costs associated with the Change Application, including but not limited to the City’s attorney fees, application filing fees, and document fees.

5. Title to Committed Water. Owner shall convey unencumbered title to the Committed Water to the City. If the Committed Water consists of water rights, the City will obtain a water rights title insurance policy for the water rights. Owner shall be responsible for all costs associated with the water rights title insurance, including but not limited to the policy premium and recording fees. Owner shall be responsible for satisfying the requirements and conditions of the Title Commitment in order for the title company to issue a title insurance policy that is acceptable to the City. A water rights title insurance policy that is agreeable to the City is an express condition to the acceptability of the water rights for dedication and conveyance to the City. If the Committed Water consists of water shares, the City will obtain written confirmation of share ownership and current payment of all assessments from the respective water company/companies. Owner shall be responsible for all costs associated with obtaining the written confirmation. From the date of this Agreement until the Committed Water is conveyed to the City, Owner shall not sell or otherwise dispose of the Committed Water, nor shall Owner allow any liens or encumbrances upon the Committed Water that would prevent Owner from conveying unencumbered title to the Committed Water to the City.

6. Cessation of Owner’s Use. Upon conveyance of the Committed Water to the City, Owner shall immediately cease any and all use of the Committed Water.

7. Successors and Assigns. Pursuant to the terms of this Agreement, Owner shall have the right to assign its rights, duties, and obligations. The parties acknowledge that the rights, duties, and obligations of Owner will also apply to any successor or assign of Owner, and that the use of the term “Owner” in this contract includes Owner’s successors or assigns.

8. Ownership of Water Facilities. Nothing in this Agreement shall alter the ownership of any wells or other water facilities of Owner or City.

9. Entire Agreement. This Agreement represents the entire agreement between the parties and supersedes all prior agreements and understandings concerning the commitment and conveyance of water rights for the Property. This Agreement shall not be amended, modified, or terminated except by written instrument signed by all parties.

10. Construction and Enforcement. This Agreement shall be construed in accordance with and governed by the laws of the State of Utah. This Agreement may be specifically enforced.

11. Third Party Beneficiaries. This Agreement is not intended to and shall not create any rights in any person or entity not a party to this Agreement.

12. Attorney Fees. In any action arising out of this Agreement, the prevailing party shall be entitled to costs and reasonable attorney fees.

13. Further Assurances. After the execution of this Agreement, the parties agree to execute and deliver such documents, and to take or cause to be taken all such other actions, as either party may reasonably deem necessary or appropriate in order to carry out the intents and purposes of this Agreement.

14. Severability. If any term, covenant, or condition of this Agreement shall be determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and the remainder of the Agreement shall remain in full force and effect.

15. Authority of Parties. The persons signing this Agreement represent and warrant that they have full authority to do so and that their corporation or entity has undertaken and obtained whatever formalities and approvals are necessary to enter into this Agreement.

16. Counterparts. This Agreement may be executed in multiple counterparts, all of which taken together shall comprise one agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the Effective Date.
