Promontory Commerce Center Public Infrastructure District No. 2
Brandan Quinney
Deputy Weber County Attorney
2380 Washington Blvd, Suite 230
Ogden, UT 84401

RE: Eligibility for Participation of a Newly Created Entity in the Utah State Retirement Systems

Dear Mr. Quinney:

When a governmental entity is being incorporated or created, Utah law requires the Utah State Retirement Office ("Office") to provide a letter to that entity identifying the potential provisions under Utah Code Title 49, Utah State Retirement and Insurance Benefit Act ("Retirement Act"), with which it shall comply. See Utah Code Ann. § 67-1a-6.5(3)(d). This letter serves as the official notice for Promontory Commerce Center Public Infrastructure District No. 2, a newly created public infrastructure district.

Based upon the information provided, the Office has determined that Promontory Commerce Center Public Infrastructure District No. 2 is an "employer" under the Retirement Act as a political subdivision of the state by virtue of its status as a district. Accordingly, Promontory Commerce Center Public Infrastructure District No. 2 must comply with the participation requirements of the Retirement Act.

This does not mean that Promontory Commerce Center Public Infrastructure District No. 2 must provide retirement benefits to its employees. However, at the present time and throughout the future, Promontory Commerce Center Public Infrastructure District No. 2 is required by law to participate with URS if and when it offers any type of retirement benefit to its employees.

Promontory Commerce Center Public Infrastructure District No. 2 may not currently have employees or may have not yet elected to provide a retirement benefit to its employees. Please be aware, it is not the obligation of the Office to monitor the activities of Promontory Commerce Center Public Infrastructure District No. 2. By law, it is Promontory Commerce Center Public Infrastructure District No. 2's obligation to apply for membership with URS if and when it chooses to provide a retirement benefit to its employees.

Once Promontory Commerce Center Public Infrastructure District No. 2 begins participation with URS, its public employees will be covered under either the Tier 1 or Tier 2 public employee retirement systems, as described in the Retirement Act. If Promontory Commerce Center Public

Infrastructure District No. 2 employs public safety or firefighter service employees, those employees will be covered under the separate Tier 1 or Tier 2 systems for public safety and/or firefighter service employees described in the Retirement Act.

In addition, Participating Employers of URS are required by Utah Code Ann. § 49-11-606 to “cover all employees eligible for service credit under this title.” As such, once admitted as a participating employer, Promontory Commerce Center Public Infrastructure District No. 2 will be required to cover all eligible employees, pursuant to the eligibility rules found in the Retirement Act.

Please note that the above-referenced laws are those used to determine eligibility for participation and are not the only laws with which a participating employer must comply. Participating employers are required to “inform themselves of their rights and obligations” under Title 49 and should become familiar with all provisions of the Retirement Act. Once Promontory Commerce Center Public Infrastructure District No. 2 is admitted into the system, URS provides education about the requirements with which Promontory Commerce Center Public Infrastructure District No. 2 must comply as a participating employer.

Additionally, please be aware that should Promontory Commerce Center Public Infrastructure District No. 2 fail to participate with URS while offering another retirement benefit to its employees, Promontory Commerce Center Public Infrastructure District No. 2’s employees may have a claim against it for service credit under the Retirement Act, which the Office is required to enforce. Under the Retirement Act, such a claim would include all past employer contributions, interest, and in some cases, penalties. See Utah Code Ann. § 49-11-601(3).

Please do not hesitate to contact me if you have any questions.

Sincerely,

/s/ Daniel D. Andersen
