

## Income Guidelines

- I. At each certification visit, total household income for each family must be recorded in VISION by a WIC staff member. Income is based on gross household income. (See Income Exclusions.) The clinic must determine that the applicant's income is at or below 185% of the Federal Poverty Guidelines published annually in the Federal Register.
- II. Anyone whose income exceeds the limit for their household size is not eligible for WIC unless adjunctively income eligible, as described in the Adjunct Eligibility section.
- III. The following table defines the income limits for the Utah WIC Program, effective **July 1, 2019 through June 30, 2020**. Total household income must be at or below the amounts listed in order to meet income eligibility requirements.
