FY 2020 - 2021 Self Evaluation Tool - Local Agency Self Auditing

To complete the Self Evaluation Tool, please download and save a copy of this document to your computer in Microsoft Word format (available on SharePoint in the Forms tab). Do not directly edit the document posted on SharePoint. Complete this tool <u>electronically</u> by typing your answers into the document. E-mail the completed Word document to the State WIC Operations Manager, <u>rwardle@utah.gov</u> 30 days prior to the scheduled on-site visit. Please note that certain logs and files need to be sent via email to the State Nutrition Coordinator at <u>pcrowley@utah.gov</u> (module completion, in service, evaluation of new classes) or post in SharePoint 30 days prior to any scheduled management evaluation site visit.

PLEASE COMPLETE THE FOLLOWING:

Local Agency:	
Clinic:	
Date due (30 days before site visit):	
Date self evaluation was completed:	
Completed by:	
Scheduled on-site visit date(s) for this clinic:	
Clinic operating hours on the scheduled date(s):	
Anticipated number of certification	
appointments to be scheduled during the on-	
site visit:	
Clinic staff that will not be present at the clinic	
during the visit:	
Is the WIC Director planning to be present?	
List any files or other items to be reviewed	
that will not be available on site and list their	
location.	
Present Caseload:	
Total # FTE hours (enter 1 for each 40 hours	
worked by staff in WIC, i.e. if there are three	
full time and one part time staff in the clinic	
enter 3.5):	
Do you feel your staff/participant ratio is	
adequate, manageable, or inadequate?	
Explain why.	

Clinic Staff

Please list all staff members currently working for the WIC program in this clinic:

Name	WIC Title (CPA, CA, Clerk, etc.)	Credentials	Date Hired Month/Year	Number of hours per week worked in WIC

Local Agency/Clinic ManagementPlease list the staff persons working in the following roles or with the listed credential:

Position	Staff Member
WIC Director	
Clinic Supervisor/Team Lead	
Breastfeeding Coordinator	
Office Supervisor/Lead Clerk	
Vendor Coordinator	
Peer Counselor Supervisor	
Module Preceptor	
Nutrition Class Preceptor	
Outreach Coordinator	
Registered Dietician(s)	
IBCLC(s)	
Peer Counselor(s)	

Please answer the questions for each functional area:

I. Vendor Management

complete the Vendor Management Module?	
Has state vendor management staff visited	
the current local vendor coordinator to go	
together to provide training and/or monitoring	
at a local store? When did this last occur?	
Where is the current authorized vendor list	
posted?	
Does the vendor coordinator upload	
documentation for vendor training and	
monitoring to the appropriate SharePoint	
location?	
Does the vendor coordinator document	
vendor training in VISION?	
Is the vendor coordinator documenting	
communication with the vendor in the Vendor	
Log in VISION?	
How are complaints about vendors and complaints from vendors about clients	
documented and resolved?	
Which vendors have been monitored during	
the current and previous fiscal year? Were	
they monitored before the deadline set by the	
state?	
Which vendors still need to be monitored this	
fiscal year?	
Which vendors received 3 year training from	
local staff during the current and previous	
fiscal year? Were they trained within the	
deadline set by the state?	
Which vendors still need 3 year training	
before the end of the current fiscal year?	
Are current vendor training materials and	
forms used to provide vendor training and	
monitoring? Is the 3 Year Interactive Training	
Presentation always used for training?	
What are some of the continuing problems the	
clinic is having with vendors? How does your	
vendor management staff attempt to correct	
these problems?	

Breastfeeding Promotion and Support	
How does the clinic let the public know WIC	
supports breastfeeding? (i.e. posters, health	
fairs, etc.) Does the clinic have a comfortable	
private room with a door that can be locked if	
mothers ask for a private space to breastfeed?	
What is used to make the WIC clinic	
environment breastfeeding friendly?	
When new staff is hired, what breastfeeding	
training is included?	
How are referrals made to Lactation Educators?	
In what circumstances?	
What breastfeeding resources are on your	
referral list?	
How do you ensure all prenatal and postpartum	
participants receive breastfeeding information at	
all visits, when applicable? How do you	
include friends and family members in this	
education?	
How and when are participants	
assigned/referred to a Peer Counselor? Where	
is this documented in VISION?	
How early are you providing breastfeeding	
support postpartum for a recertification	
appointment? (Approximately how many days	
after delivery are postpartum women being	
seen?)	
Who issues breast pumps and supplies in this	
clinic?	
Where are breastfeeding aids stored?	
When issuing electric breast pumps & aids:	
• Is the issuance documented in the computer?	
If not, why not?	
 Are the follow up calls being made according 	
to policy? If not, how will this be corrected?	
Who cleans the pump when it is returned?	
Where is the cleaning documented?	
Who issues the Single User Pumps and are the	
release forms signed?	
Where is the reason for issuance of all	
breastfeeding aids documented?	
What did you do during World Breastfeeding	
Week or Month?	

Food Package Prescriptions	
Who is responsible for tracking and following	
medical formulas ordered through the state	
office?	
How are medical formulas ordered through	
the state office being tracked? How often?	
Explain your procedure when participants do	
not have a valid FAFAF.	
When a 6 – 11 month old participant is	
medically unable to consume solid foods and	
the physician has ordered a higher amount of	
formula (4 – 5 month amount) it is important to	
document this in the Comments area of the	
SharePoint medical formula order form. Is	
this being done?	
Ŭ	1
Health Care Referrals	
Is your staff printing out the Smoking	
Cessation referral form when it is applicable?	
If not, why not?	
Are smoking cessation informational updates	
being provided annually? How are these	
provided?	
Are staff referring to Medicaid and providing	
participants with Medicaid's current income	
guidelines when applicable at each	
certification (New USDA requirement)?	
How does the agency provide drug and other	
harmful substance abuse information to all	
pregnant, postpartum and breastfeeding	
women and to the parents and caretakers of	
WIC infants and children?	
Notation Education and Occurrence	
Nutrition Education and Counseling	
Have training modules been completed by all	
staff members? If no, why not?	
Send via email a copy of the Module	
Completion logs for the previous year and	
current year for all staff members to the State	
Nutrition Coordinator. Or, post these in the	
local agency folders in SharePoint 30 days	
prior to the scheduled ME visit.	
Who is responsible for the area of inservices	
and CEU completion?	
How many hours of nutrition inservices were	
provided to the staff during the last year? List	

the topic and date of the inservice.	
(Send via email a copy of the Nutrition	
Inservice logs with signatures for all staff who	
attended for the previous year and current	
year to the State Nutrition Coordinator. Or,	
post these in the local agency folders in	
SharePoint 30 days prior to the scheduled ME	
visit.). Also, please post the required staff	
evaluations of each inservice training in your	
local agency folder in SharePoint.	
How do you determine your staffs' nutrition	
inservice and training needs?	
Were all inservices evaluated? If not, why not	
and how will this be corrected?	
Date of breastfeeding inservice(s).	
Did ALL staff members attend? If not, why	
not and who did not attend (please list)	
Date staff was inserviced on the Nutrition	
Education and Evaluation Plan. Did all staff	
members attend?	
List all full time CPAs/CAs who did not receive	
12 hours of inservices/CEUs in the last year.	
Why not and how will this be corrected?	
Who is responsible for coordinating nutrition	
education classes?	
How are nutrition education classes assigned	
for participants?	
How does the agency ensure that nutrition	
education provided to each participant will be	
personalized based on needs and interest	
identified in the nutrition assessment?	
What are the categories of classes that are	
routinely provided?	
Is nutrition education given at each clinic visit?	
If not, why not? Add regulation requirement	
Besides traditional classes, what other	
· ·	
education approaches are you using? Please	
post in your local agency folder in SharePoint,	
all non-state approved lesson plans being	
used, including interactive bulletin boards,	
self-paced modules, and web based	
education.	
How frequently are classes evaluated? By	
whom? Please post evaluations in your local	
agency folder in SharePoint 30 days prior to	
ME visit.	

-	
Who teaches classes?	
If you use videos, how are you using them?	
What do you do for participants who refuse	
nutrition education?	
Where are nutrition education contacts being	
routinely documented including	
documentation of providing pamphlets?	
How are health outcomes being assessed?	
What data reports are used?	
Participant Screening and Assessment	
Who is responsible for lab procedures?	
Does the staff follow Utah WIC Program	
Laboratory Procedures Module or local health	
department procedures?	
Why and when is referral information used?	
Where is the source of medical data	
documented?	
How do you verify that all anthropometric data	
are collected according to the recommended	
and preferred methods?	
How do you verify that all blood tests are	
performed according to the recommended	
and preferred methods?	
How do you ensure that blood work used at	
certification has been taken within 90 days?	
Are you using a hemoglobin/hematocrit	
instrument that requires calibration? If so,	
where is this calibration documented?	
What procedures are used to ensure all	
pregnant women are weighed at each visit?	
When did the Utah Dept. of Agriculture and	
Food, Bureau of Weights and Measures last	
check the scales?	
When was the last time measuring boards	
were checked for accuracy?	
How often are the scales, centrifuges,	
HemoCues and measuring boards cleaned?	
Where is this documented?	
Are mid-certification health assessments	
being conducted for infants?	
Mid-certification health assessments for	
children must be done; these cannot be	
waived.–Are the required mid-certification	
health assessments being conducted for	
children (VOC and Regular Certifications)?	

What type of appointment is being used to	
schedule these (Mid-cert, Follow Up, Nutrition Education)? How do you ensure that these	
are always completed	
How is it determined that all CPAs use the	
VENA approach to conduct a complete	
nutrition assessment at each certification?	
Do you or your staff need training on VENA?	
How is a dietary assessment conducted?	
How are high risk participants scheduled?	
Who writes the initial care plan? The follow-	
up care plan? How is the overall care and	
follow up for high risk participants managed	
by the Registered Dietitian?	
Are there any risk factors you need	
clarification on during the ME visit?	
Are nutrition interviews completed on all	
participants and routinely done for all certs,	
especially for pregnant, breastfeeding	
postpartum women and VOC participants?	
Do pregnant women only have one pregnancy	
record for each pregnancy and postpartum	
information is added by editing the applicable pregnancy record?	
In any visit after the initial certification, if new	
risks are identified, were these addressed with	
education and/or follow up and documented in	
VISION?	
If a child participant is due or late for	
vaccinations, what is the clinic protocol?	
How is immunization screening and referral	
documented?	
Are participants asked to sign separate	
consent forms to release immunization	
information to the immunization registry?	

III. Information System

Documentation
Are comments and alerts used appropriately
and comments entered whenever required?
Are documents scanned and saved
appropriately under the family's record in
VISION? This includes scanning all required

documents, appropriate naming of docs, not	
scanning docs that contain Social Security	
numbers or Driver License numbers.	
Are you allowing online submissions of proof	
documents? Please explain your process and	
the approvals received.	
••	
Planning	
No questions	
Reports	
What VISION reports do you use? What	
frequency are they reviewed?	
What ad hoc (SharePoint) reports do you	
use? What frequency are they reviewed?	
Is the Active WIC Staff ad hoc report being	
reviewed monthly at an agency level?	
System Security & Training	
Has clinic staff completed required information	
security/privacy training?	
What training program is used?	
Has a Security Access Request been	
submitted for all employees who have	
terminated from WIC or for employees who	
should have their security permissions	
changed?	
How are you training new staff on the VISION	
system?	
IV. Organization and Management	

Administrative Staffing	
What training has the staff person handling participant violations received?	
Confidentiality	
Is the clinic environment protective of	
confidential information shared verbally by	
applicants and participants?	
When, if ever, is confidential WIC information	
shared with persons outside of the WIC	
program?	
How do you make the list of programs with	

which WIC shares information available to	
participants?	
Where is the USDA Study Notice Flyer	
posted?	
Is DCFS being contacted when child abuse or	
neglect is suspected?	
Emergency Planning	
What basic steps has your agency taken to	
prepare for emergencies and disruption to	
WIC services? Do you have plans that include	
evacuation plans, clinic operations during a	
pandemic, and contingency plans during a	
building closure?	
Equipment	
Is furniture and equipment tagged with a	
permanent ID number or serial number?	
Is all furniture and equipment purchased with	
WIC funds listed in the inventory file?	
Is the inventory file of WIC furniture and	
equipment managed by WIC staff or part of	
the local health department's inventory	
system?	
Does the inventory file contain all required	
fields?	
Is the inventory list being checked for	
accuracy and reconciled at least once every	
two years?	
Are purchases with an individual purchase	
price over \$5,000 or a grouping of purchases	
totaling over \$5,000 being approved by the	
State WIC office?	
Homeless and Domestic Violence Shelters	
What homeless and domestic violence	
shelters serve your area? If no shelters, what	
agencies serve these individuals?	
Has an MOU been set up with all domestic	
violence and homeless shelters that serve	
your WIC participants?	
Have all shelters been monitored for	
compliance within the last three years?	
Please provide the date(s) of monitoring.	
Policy and Information Sharing	

-	
Are the P&P changes reviewed annually by all	
staff?	
What is your procedure in disseminating	
policy and informational memos to staff?	
What documentation do you have that staff	
has reviewed each memo?	
Is clinic staff using SharePoint on a regular	
basis on WIC clinic days?	
Is all WIC staff reading the WIC Wire	
newsletter monthly?	
newsietter monthly!	
Record Retention	
Have all old paper participant charts been	
destroyed appropriately?	
Are all clinic records being retained for at least	
four years? (electronic or paper records)	
loar years. (diseasering of paper records)	
Supplies and Materials	
How do you verify that you are using current	
clinic forms and staff training modules?	
Have obsolete forms and materials been	
discarded?	
Who tracks your inventory of forms, nutrition	
education pamphlets and miscellaneous	
materials?	
Who completes the UCI order form?	
Who completes the oor order form:	
V. Nutrition Services and Administrati	on Expanditures
V. Natition of vices and Administrati	on Expenditures
Allowable Expenditures

VII. Caseload Management

Outreach	
How much has your caseload increased or	
decreased in the past 12 months? (number	
and percentage)	
How much has your caseload increased or	
decreased in the past 5 years? (number and	
percentage)	
What specific activities do you do in order to	
try to retain your participants until they are no	
longer eligible?	
Where do you document your annual	
outreach activities?	
Does your outreach target health care	
providers, schools, agencies and other	
programs that likely serve potentially eligible	
women, infants and children?	
Does your outreach include agencies and	
programs that serve homeless, migrant,	
refugee and other low income individuals?	
How do you conduct outreach directly to the	
public? (i.e. health fairs, public events, posting	
of fliers, advertising, etc.)	
List the outreach materials used by the clinic.	
Has your agency issued any WIC related	
public service announcements or press	
releases in the past year?	
Have all locally created WIC outreach	
materials, PSAs and press releases been	
approved by the state?	
Does all outreach materials and website	
contain the clinic's address, phone number,	
clinic hours and the nondiscrimination	
statement? If not, why not?	
Is your outreach plan appropriate based on	
the racial and ethnic make-up of your clinic	
area? Run the ad hoc report: Race and	
Ethnicity to determine the racial and ethnic	
percentages of those now participating in your	
clinic.	
Does your local agency WIC website link to	
the state's online appointment request system	
(participant portal)?	
Do you have any suggestions for new or	

improved state-wide outreach?	
Waiting Lists	
No questions	

VIII. Certification, Eligibility and Coordination of Services

Appeals	
How do you handle clients who disagree with	
eligibility determinations?	
Have any applicants/participants asked to	
appeal a decision?	
Certification Procedures	
What procedure is in place to ensure that your	
clients have time to read the Rights &	
Responsibilities at each certification	
appointment, including recerts?	
Is the R&R, including points of emphasis,	
discussed with the client before asking them	
to sign the signature pad?	
Is a take home copy of the R&R given to	
clients?	
How are appointments offered outside normal	
business hours of 8am-5pm?	
Where are the clinic hours and/or the	
availability of afterhours appointments	
posted?	
Are all applicants served within processing	
standard timeframes unless they choose a	
later appointment? Run the VISION report:	
Processing Standards Non-Compliance	
Report.	
How often is the Processing Standards Non-	
Compliance report reviewed?	
What is the average wait time in the clinic that	
participants and applicants spend waiting for	
their appointment to begin or in between the	
different stages of their appointments? How	
long have the maximum wait times been	
recently?	
How long do the average first time certification	
appointments take? Recertification?	
What special efforts, if any, has the clinic	

made to improve customer service?	
Are the physical address, phone number and	
other required data entered for each applicant	
prior to scheduling the certification	
appointment?	
Are you verifying the phone number at each	
appointment to ensure appointment reminder	
messages can be received?	
Are there enough appointments to serve all	
applicants and participants in a timely	
manner? If no, why not and what steps will be	
taken to correct this?	
Are certification periods shortened or	
extended by a month when needed for	
approved reasons?	
What is required of proxies prior to receiving	
checks?	
Are proxies being allowed to certify children in	
place of an endorser (parent, guardian or	
caretaker)?	
1	
When is proof of guardianship/caretaker	
required?	
How is this proof documented?	
What is done when this proof cannot be	
provided?	
Are missed appointments marked in the	
VISION system on the same day so that an	
automatic reminder call or text can be made?	
What percentage of your enrolled clients have	
current benefits? (See Participation with	
Benefits Report in VISION). What efforts are	
you making to increase this percentage?	
How do you handle participants who are late	
for class or certs? Is this a formal policy?	
Is the clinic allowing provisional certifications	
when it would be a benefit to WIC applicants?	
Are provisional certifications completed	
according to policy? Review the VISION	
report: Termination by System Pending to find	
families with provisional certifications to	
review. Ensure a <i>Signed Statement</i> form is	
found in the scanned documents for these	
families.	
Is an "Affidavit" allowed in place of required	
proofs when providing proof would be an	
unreasonable barrier?	

Are affidavit records completed appropriately?	
Run the Ad hoc report: Affidavit by Proof Type	
to find families where an affidavit has been	
used in place of a proof. Ensure a Signed	
Statement form is found in the scanned	
documents for these families. Ensure that	
state approval is documented when affidavits	
are used for non-standard reasons.	
Are VOC's received from out of state transfers	
scanned?	
What are you doing to advertise the	
availability of VOCs to those who may move	
out of state?	
Hamalaga Q Misusant Applicants	
Homeless & Migrant Applicants	
Are Homeless, Migrant and Refugee	
applicants recorded on the address screen?	
Run the ad hoc report: <i>Migrant Homeless</i>	
Refugee to find families where these boxes	
have been marked in the Physical Address	
screen. Verify that staff are entering a new	
address record when participants are no	
longer homeless.	
Identity and Residency	
How are applicants told they need to provide	
proof of identity, residency and income when	
they call for an appointment, walk in for an	
appointment, or schedule a recertification	
appointment?	
What staff completes this screening of these	
proofs?	
Do any of your participants reside outside the	
jurisdiction of your health department? If yes,	
do you have permission from the state to	
serve them? Was the request to serve them	
submitted through SharePoint?	
How do you ensure that children who were	
previously certified as an infant who are now	
being certified for the first time as a child have	
provided acceptable proof of ID?	
Are WIC ID packets issued according to	
proper procedures?	
Income Eligibility	
How are you explaining the definition of	

"Household Size" to applicants to ensure that	
income is determined according to policy?	
Has staff been trained on what is included as	
income and what is excluded?	
When proof of income is required, is the	
applicant expected to bring proof of the last 30	
days income? (4 paystubs for weekly pay, 2	
stubs for bi-weekly or semi-monthly).	
Is staff asking about additional sources of	
income in the family?	
Is adjunct eligibility verified according to	
policy?	
Are adjunct eligible families asked to self declare income? Run the ad hoc report:	
Adjunct Eligibility to review various records to	
ensure self declared income is used in	
appropriate circumstances.	
When an applicant reports that no income is	
earned what steps are followed? Run the ad	
hoc report: <i>Proof of Income</i> for proof type "0	
Income Signed Statement" to ensure that a	
Signed Statement form is found in the	
scanned documents for these families.	
Is the clinic reassessing income during the	
certification period when information is	
received that the participant may no longer be	
income eligible or adjunctively eligible? (Not	
required in the last 90 days of a cert period if	
checks have already been issued)	
In clinibility and Tarmination	
Ineligibility and Termination Is the Notice of Ineligibility printed and given	
to applicants found to be ineligible at the	
certification appointment? Is this	
documented? Run the VISION report:	
Ineligible to find applicants who have been	
determined to be ineligible.	
Is the Notice of Termination printed and given	
to those who are terminated during a	
certification period? Is this documented?	
Run the ad hoc report: Terminated by Reason	
for the reasons of Over Income, Stopped BF,	
Part BF out of range, and Participant	
Violation.	
Is the termination effective date manually	
changed to today's date when participants are	

terminated during a certification period	
because they are no longer categorically	
eligible? (Reasons such as Stopped BF, Part	
BF out of range.)	
When are participants given 15 days benefits	
prior to being terminated?	
Participant Violations	
Who handles participant violations in this	
clinic?	
Are participants with alleged violations	
contacted within 10 days?	
Is the participant violation screen completed	
appropriately and participants given	
appropriate sanctions? Run the ad hoc	
report: Participant Violations.	
Are participants given printed notice of	
participant violations and a signature	
collected?	
Are complaints from or about participants	
logged in the Customer Service Log and then	
resolved? Run the VISION report: <i>Family</i>	
Customer Service Log.	
Are there any unresolved complaints?	
Who is responsible to resolve possible duals?	
Is the Intrastate Dual Participation Screen	
being checked and resolved each day?	
Review the Intrastate Dual Participation	
screen within the Operations section of	
VISION to see if any "unresolved" potential	
duals are listed. Review "resolved" duals to	
see that they are being resolved properly.	
Are all duals reported to the WIC Help Desk?	

IX. Food Delivery – Food Instrument Accountability and Control

Check Printing	
Are checks ever mailed?	
Is clinic staff verifying the checks printed	
properly including the proper MICR line?	
Is the clinic allowing VISION to prorate food	
packages according to policy?	
Is the clinic capturing a signature each time	
checks are printed and given to the client?	

Run the ad hoc report <i>No Signature by</i>	
Reason report.	
Are missed signatures documented correctly,	
i.e. a print screen signed and scanned or a	
comment entered when required?	
How are blank checks stored and secured	
under a double locking system?	
Is the clinic completing a monthly inventory of	
check stock and making needed adjustments?	
If the clinic has more than one MICR printer,	
is the printer log being documented properly?	
Instructions to Participants	
Who is responsible for providing education to	
each applicant at every certification on how to	
redeem WIC checks?	
Who hands out and explains the Authorized	
WIC Foods booklet? Where is this being	
documented?	
Reconciling Checks	
Reconciling Checks Are checks "reprinted" when appropriate and

What steps are followed to research the VISION report: Voided Fls That Have Been Redeemed or Rejected report that is sent out to clinics by the state? Has this report shown that clinic errors have	

X. Monitoring and Audits

Fiscal Audits	
When was your last fiscal audit for WIC and	

who was it completed by?	
Local Agency Self Evaluation and Monitoring	g
Is there any conflict of interest between the	
WIC program and clinic staff? (i.e. department	
employees or their families own or manage	
WIC authorized stores; or otherwise contract	
with the agency to provide any other goods or	
services).	
Do any WIC staff participate in the program or	
act as, endorsers or proxies in the same clinic	
where they work?	
Does any WIC staff complete records for their	
immediate family, close relatives or friends?	
How is the separation of duties handled in this	
clinic to determine income eligibility and	
nutrition risk?	
Are there any employees within the local	
agency that have State WIC Director	
approved security access in VISION to	
complete all eligibility criteria and	
assessments?	
Is the Separation of Duties report being	
researched each time it is received from the	
state?	
If the agency has more than one clinic, has the local WIC director visited each clinic site	
at least once during the past year to monitor	
operations and ensure that no clinic fraud or abuse of the program is occurring?	
abuse of the program is occurring:	
Management Evaluations	
Have all findings from your previous	
management evaluation been closed with the	
state?	
Based on comments or observations from	
your previous management evaluation report,	
what changes or improvements have you	
made?	
Are there any particular best practices you do	
that you would like to make the state aware	
of?	
Has your clinic or staff received any special	
recognition or awards within the past two	
years? If so, please explain.	

Technical Assistance	
Does your clinic need a visit from state staff to	
provide technical assistance or training? If so,	
what type of training is desired?	

XI. Civil Rights

When was the Civil Rights module last	
completed? Did all staff members complete	
the training?	
Was it completed as a group or individually?	
Where are test results documented (on file in	
the clinic or posted on SharePoint)?	
Is the clinic accessible to the disabled?	
What accommodations are made for	
participants with disabilities?	
Are parking spaces for disabled persons	
provided?	
Are you able to provide a sign language	
interpreter upon request? If not, how will you	
respond to such a request?	
What percentage of your current caseload	
does not speak English?	
What languages do they speak? Run the ad	
hoc report: Language Totals.	
How does the clinic communicate with non-	
English speaking participants when they call	
the clinic? At appointments?	
Which staff members are proficient at	
speaking Spanish?	
Are the "Preferred Spoken Language" and	
"Printouts Language" being properly input into	
the system for each family? Run the ad hoc	
report: Language Spoken Report to see how	
many families do not have the preferred	
language marked.	
What contracts or other plans are in place to	
communicate with participants who do not	
speak English or Spanish?	
Does the clinic use any forms or informational	
materials not provided by the State? Do they	
contain the current non-discrimination	
statement?	
Is the local agency's WIC website or webpage	
maintained with current information?	

Does the website contain the current non-	
discrimination statement?	
Is the WIC clinic building marked with a "WIC"	
sign and hours of operation?	
Where is the current (green) "And Justice for	
All" poster located?	
Are all applicants asked to self identify their	
ethnicity and race(s) according to policy?	
Have there been any complaints of	
discrimination made at the clinic? How were	
they handled?	

Quality Assurance Component of Self Evaluation Tool (Submit at least 30 days prior to the State ME visit.) Random Chart Review – Nutrition and Breastfeeding

Select Records in the Year Previous to the ME Year (if ME is in FY 2020, select records to review from FY 2019—or from 10/1/2018-9/30/2019)

Supplemental Foods

For all premature infants up to one year of age, the default formula issued shall be a sterile liquid if produced by the manufacturer. If the supervising health care provider specifically prescribes powder, the WIC clinic may provide powder. If the supervising health care provider has not prescribed a sterile liquid and the parent/endorser request powder, then powder may be provided after obtaining signed parental agreement.

- Run Follow-Up Nutrition Risk Assessment (VISION Choose 142 Prematurity Risk Factor)
 - Enter ID numbers for waivers/FAFAF signed and scanned
 - Review 10 records or as many as applicable from the previous fiscal year

Person ID	Waiver Signed or FAFAF scanned

Exempt formula, Non-contract Formula and Medical Food Issuance

- > Run <u>Food Benefits Reports-Formula and Medical Food Issuance</u> (VISION) for non-contract formulas.
 - Review to make sure FAFAFs were complete.
 - Enter ID numbers reviewed for non-contract formula issuance:
 - Review 10 records or as many as applicable from the previous fiscal year

Person ID	FAFAF complete

State Ordered Formula from Pharmacy

Correct procedure followed

Review Special Formula Database in WIC SharePoint

- Include a variety of products
- List participant IDs below receiving Special Medical Formula and determine correct ordering and receiving procedures
- In computer, look for:
 - Current prescription (FAFAF) including all required elements of medical documentation
 - o Approved/acknowledged by appropriate staff
 - o Care plan documentation, if applicable
- Enter ID numbers reviewed for state ordered formula
- Review 5 records or as many as applicable from the previous fiscal year

Person ID	FAFAF complete	Approved by CPA	Care Plan Documented

VENA/Nutrition Education/High Risk

Run All Nutrition Risk Factors-Ad Hoc

• Enter ID numbers reviewed for High Risk Care Plans

In computer, look at high risk care plans for:

- · correct assignment of risk factors
- care plan at cert for High Risk
- individualized assessment and overall management by RD
- appropriate follow-up/education/referral
- appropriate food package
- Review 10 records or as many as applicable from the previous fiscal year
- As you review computer files, look to see if participants receive appropriate education/classes for category and risk
- Are participants being offered the federally mandated number of education contacts? (2 offered per certification for the family or at least quarterly for those participants certified for a period greater than 6 months)
- o Review all nutrition education and care records for the family

Person ID	Care Plan at Certification	_	Correct Assignment of Risk Factor/Food Package/Appropriate follow-up/education/referral

Electric Breast Pumps

- > Run Breast Pump By Issue Date (AdHoc)
- > Review 10 records or as many as applicable from the previous fiscal year

Review:

- Documentation
- Were pumps issued appropriately?
 - Appropriate pump type for reason issued
 - Issued by trained staff
 - Provided instructions
 - At least 1 contact recorded
 - Signature obtained
- Were follow up calls made according to policy?

Breast Pump Type	1 st Contact	After 1 st Contact
Hospital Grade	24-72 hours	Monthly
Electric (e.g.,		
Lactina, Symphony,		
Lact-E)		
Multi-User (e.g.,	1 st week	Monthly
Nurture III)		
Pedal	1 st week	Monthly
Single User	Within 2 weeks	WIC appointments

Electric Breast Pumps

Person ID	Issued Appropriately (lactation reason & pump type)	At least 1 contact person Recorded in BF Equip Screen	Follow-up Calls Made	Cleaned Pump/Location of Documentation

Breastfeeding aids

Indicate if the breastfeeding aids don't meet the following:

- Supplies stored in a secure location
- Complete and current inventory
- > Run Participant Non-Serialized Issuance Report (AdHoc)
 - Issued appropriately by trained staff
 - Reason appropriate for aid type
 - Signature obtained
 - Instructions and any follow-up needed
 - Review 10 records or as many as applicable from the previous fiscal year

Breastfeeding Aids

Random Chart Review - Certification (Operations)

Please select random active families and review records from the past 12 months. In a small clinic (less than 500 participants) review records from 10 families, in a medium size clinic (500 to 1,999 participants) review 15 family records, in a large clinic (2000 or more participants) review 20 records. Ensure all categories of participants are reviewed (P, B, N, I, C). Below is space for 5 records. Please make copies for additional chart review. Fill in **actual data** unless a Yes or No is applicable. **Use red font for all deficiencies.**

What to Review	Chart #1	Chart #2	Chart #3	Chart #4	Chart #5
Family ID #					
Categories in family (P, B, N, I, C)					
Certified within processing standard timeframes?					
Names recorded appropriately?					
Preferred spoken language selected?					
Proof of ID documented correctly?					
Address, phone #, proof of residency documented correctly?					
Proof of income/adjunct eligibility documented correctly?					
Education on authorized food booklet and how to use/redeem checks provided and documented?					
Signatures collected as required?					
Required documents scanned and named appropriately?					
Necessary comments documented?					
Any violations or complaints resolved?					

Self-Evaluation Tool – Terminated Participants (Operations)

Review 10 records, if available, of participants terminated in the past 12 months for the reasons of: Over Income, Stopped breastfeeding 6 months postpartum, Part breastfeeding out of range, Participant Violation. Use the Ad hoc report Terminated by Reason to find families terminated for these reasons to conduct record review.

Below is space for 5 files. Please make copies for additional chart review. Fill in **actual data** unless yes/no question. **Use red font for all deficiencies.**

What to Review	Chart #1	Chart #2	Chart #3	Chart #4	Chart #5
Family ID #					
Participant first name					
Termination reason					
Effective date appropriate?					
Notice of Termination issued and documented?					
Were those terminated as Over Income given 15 days benefits before they were removed from the program?
